

## DERMAL FILLER TREATMENT AREAS

### **Customized Cheek & Under Eye Filler**

45 MINUTES

**Starting at \$1,750+**

Our most popular treatment! Filler is used to reduce the appearance of tired, sunken eyes. The combination of cheek and under eye filler re-establishes volume loss in the mid-face resulting in a refreshed and youthful look.

### **Cheek Filler / Mid-face**

30 MINUTES

**Starting at \$750+**

Filler is used to lift and contour the cheeks. This treatment diminishes the appearance of the nasolabial folds also known as laugh lines. Average amount used is 1-3 syringes.

### **Under Eye Filler**

30 MINUTES

**Starting at \$850+**

Still look tired after 8 hours of sleep? Hollowing under the eyes, which can often be attributed to aging or genetics, can contribute to looking tired. The results could make you look refreshed and more awake. Often, cheek (midface) filler is also needed to achieve a natural result.

### **Lip Plump**

45 MINUTES

**Starting at \$700+**

Whether you want subtle volume or significantly fuller lips, we are confident we have the right treatment for you. We will decide together the best filler to use to achieve your lip goals. Numbing cream is applied prior to treatment. A dental block can be added for a comfortable experience.

### **Lip Hydrate / Anti-Aging Filler**

45 MINUTES

**Starting at \$650+**

As we age, we lose volume in our lips which can often add to an aging appearance. Filler is used strategically to hydrate the lips and soften vertical lines around the mouth. This treatment will immediately give your lips a youthful and structured shape you use to have.

### **Chin Augmentation**

30 MINUTES

**Starting at \$750+**

It is common to lose bone and soft tissue in our lower face as we age. Filler is used to augment and anti-aging the chin, giving shape and definition to the face, as well as improving and balancing the profile. This treatment can also treat a cleft chin to achieve a smooth appearance. Average amount of product used is 1-4 syringes.

### **Jawline Filler**

30 MINUTES

**Starting at \$1,700+**

A sculpted jawline is desirable for both men and women. Add some definition to your face with a little filler! Average amount of product used is 2-4 syringes.

### **Lower face (Under/Around Mouth) FillerP**

30 MINUTES

**Starting at \$750+**

Filler is used to rejuvenate the lower face, fill in fine lines around the mouth, and up-turn the corners of the mouth for a youthful appearance. This is a completely custom treatment based on your needs and desires.

### **Nasolabial Fold (Smile/Laugh line) Filler**

30 MINUTES

**Starting at \$850+**

Filler is used to soften the appearance of the nasolabial folds (smile/laugh lines). Often, midface filler is needed to help lift hence taking the weight off of the nasolabial folds (see Cheek Filler option).

### **Hand Filler**

30 MINUTES

**Starting at \$750+**

Hands are one of the first areas to show aging. Filler is used to restore volume loss in the tops of the hands for a youthful and softened look. Average amount used is 1-3 syringes.

### **Neckline (Tech-Neck) Filler**

30 MINUTES

**Starting at \$850+**

Filler is used to smooth those pesky horizontal lines we get across our necks from constantly looking down at our phones (hence – the reason we call it “tech-neck”). You may need 2 sessions for optimal results.

### **Neck and/or Chest Rejuvenation / Anti-Aging**

45 MINUTES

**Starting at \$1,100+**

Radiesse in a diluted form is used to thicken and smooth the skin in the neck and decollete. It works by stimulating your own collagen and elastin. As we age the skin becomes thin and crepey across our neck/chest. It is important to anti-aging the neck so it matches the face over time.

### **Temple Filler**

30 MINUTES

**Starting at \$1,100+**

Hyaluronic Acid filler may be used to restore volume loss in the temples. Average amount used is 2-4 syringes. Typically, we start with Sculptra when addressing temple hollowing. See section on Sculptra for more information.

**Dissolve Filler (injected by another provider)**

15 MINUTES

**Starting at \$500+**

Botched? Are you unhappy about filler you got by another provider? RUMA is here to help you! Book this appointment to get your filler dissolved. Price is based on one area. \$300 + \$3/unit of Hylenex used
